We offer an apartment in a nice modern building. The apartment has two bedrooms and two bathrooms, a separate kitchen, a living room with a dining area and access to the terrace. The terrace offers a view of the city. The total area of the apartment is 76 sq. m. The price of the apartment also includes a parking space in the underground garage and a storage room. There is a communal solarium on the roof of the building, which offers views of the sea and the surroundings. Five minutes from the building, there is a large park with rich flora and fauna, relaxation areas and children's playgrounds. The area...(Ask for More Details!)
