Renovated house located against a mountain overlooking the countryside , but within walking distance (10 min) to the center with all amenities. There is a plot area of 269 m2 , fully tiled for easy maintenance but nicely landscaped with several terraces and plants. You enter the property through an off road parking / terrace, to the covered terrace where it is lovely to stay, shielded from the wind, and so actually an extra living space. Then you enter the house with on the right a bathroom with shower , and on the left a bedroom. Then you enter the spacious living room with dining area and stove , on...(Ask for More Details!)
