Apartment in Murcia

€400,900

3	3	95m²	N/A	✔

Today, when someone looks for a home in Murcia, they're usually looking for more than just square meters. They're looking for space, quality of life, and tranquility. But the reality is that many developments offer the same old thing. That's why this development was created; a new residential concept in Murcia. It's not just a housing development, it's a new way of living. At this project, you're not just buying an apartment, you're gaining access to a lifestyle. The project boasts over 17,000 m² of communal areas, something quite unusual in Murcia. This sets it apart from other developments. The homes are designed to enjoy the outdoors year-round, with large...(Ask for More Details!)
