Welcome to an exclusive new development in the heart of Torrevieja, located at Santa Trinidad 15, just a few minutes from the sea and close to all essential amenities. This modern residential complex has been created for those who value quality, thoughtful architecture, and comfortable living on the Costa Blanca. The project combines elegant design, functional layouts, and modern materials. The development features bright apartments with panoramic glazing, well-designed interior layouts, and an energy-efficient aerothermal system. Special attention has been given to the communal areas. Residents can enjoy a heated rooftop swimming pool with a spacious solarium, while on the lower level of the complex there is a second swimming...(Ask for More Details!)
