180m²

500m²

About the investment: The price of 975,000 euros is for the house alone, but you can also buy the rental business. There is a lease agreement on a minibus that can be taken over or it will be terminated). This includes a website, a social media page and above all, a fantastic customer base. The price for the house and rental business is 1,050,000 euros (where you are guaranteed a return of 100,000 euros minus operating costs in the first year). Costs to consider are approximately 200-400 euros per month in electricity. The cost of water is just under 100 euros per month. About the house: 180 sqm 500 sqm plot Private heated...
