Ground floor, 2-bedroom bungalow with a private patio in El Chaparral! The home features 60 m² of practical and bright living space, offering two bedrooms, two full bathrooms, and an ideal setting for both year-round living and vacation getaways. Its pleasant private patio is the perfect spot to enjoy breakfast outdoors, relax with a good book, or spend time with family and friends, adding extra value to the home. The single-story layout makes daily life easier and provides greater comfort. Thanks to its design and features, this bungalow is an ideal choice for families, couples, or as an investment for vacation or long-term rentals. A home with everything you need...(Ask for More Details!)
