This nicely presented villa features a spacious and bright open plan sitting-, dining- and kitchen-area of some 35/40 m². The villa was originally designed as a 3 bedroom property to which it could be converted by reducing the size of the living area to 1 large bedroom, and a family bath on ground floor level. On first floor the master bedroom with its ensuite and with plenty of wardrobes and access to a large balcony with views over the communal pool. The villa comes partly furnished and equipped with white goods, 2 AC-units and ventilators in all ceilings. Fully tiled low maintenance garden area. 2 parking spaces next to the villa's north-western side....(Ask for More Details!)
